

## DINING

### Contour Round Pedestal Table

A versatile pedestal dining table, Contour retains a soft character through considered curved edges. A single rounded leg is hand-sculpted to merge with the tabletop and base, creating a seamless transition between the two elements.

Designer: Jeremy Evison, 2022

## DIMENSIONS

740H x 900dia

740H x 1000dia

740H x 1200dia
