## MODULAR SOFA

### Oliver Modular Sofa

Oliver is a modular sofa defined by its softened, continuous form and grounded presence. A two-way curved shell and sweeping arms create a sense of visual lightness, while generous cushioning invites relaxed, sink-in comfort. Designed as a flexible system, its longer modules and continuous seat bring calm to the composition, allowing Oliver to adapt effortlessly to evolving spaces.

Designed in collaboration with Kristen Basra of Spatial Studio.

## SPECIFICATIONS

- Elegant curved back profile with integrated flange
- Includes feather fibre cushions
- Foam blend with baffled feather wrap
- Thin upholstered seat base
- Soft sink-in comfort with underlying support
- Sloped arm profile
- Solid timber feet
- Fully assembled

## COMFORT PROFILE

2 - Soft, sink in comfort with a higher back. Requires dressing between uses but maintains long term loft recovery and structure.

Made to order in New Zealand by Woodwrights
